

Nanaimo Christian School

An Introduction to NCS

In community, NCS pursues Christ-centered educational excellence that equips students to live Biblically, act responsibly, work cooperatively, communicate effectively and achieve success in who God has called them to be. Our school's core values are:

1. Nanaimo Christian School is a **Christian community** – everything that we do and teach is rooted in the Christian faith and founded upon God and His Word. We desire to partner with families in the education and spiritual growth of our students.
2. Nanaimo Christian School is a **community of grace** – we go beyond just rules and consequences in order to reach the hearts of our students and inspire Christ-like transformation.
3. Nanaimo Christian School is **responsive** – we recognize the uniqueness of each student and strive to exceed expectations and provide a positive school experience for all.
4. Nanaimo Christian School is a **safe haven** – we commit to provide an environment where students are protected both physically and emotionally, and provide a loving atmosphere where they can safely grow into the person God has called them to be.
5. Nanaimo Christian School is **forward-thinking** – we value innovation and strive to discover the best practices for student learning.
6. Nanaimo Christian School is **intentional** – we lead, serve, and teach with great passion because we are confident in what God has called us to do. We work to cultivate that same passion in every one of our students.

High School Program Statement

Nanaimo Christian High School is a community where students and staff work together to create learning experiences that are challenging, flexible and relevant. We provide Christ-centered learning that responds to student culture, needs and interests. Choice is important. Gifts are developed. Our students will have impact.

Our International Program Introduction

Nanaimo Christian School (NCS) is located on a spacious and centrally located campus in the beautiful city of Nanaimo, Vancouver Island, British Columbia. The small city setting of Nanaimo provides a safe and pleasant environment for International students. It offers a quality academic program, small class sizes, a fully accredited staff and many other extra opportunities not available in a larger school. NCS has embraced the new learning **Education Plan** as developed by the Ministry of British Columbia to prepare students for a changing, competitive job market. NCS has become a leader to other schools in the delivery of this new curriculum and our students are benefiting from this engaging way of learning. Our International students who attend Nanaimo Christian School comment that the love and concern they feel from teachers and the support and community they feel amongst the students are the two big reasons why NCS is such a great place to be!

The Lord has created humans with the wonderful ability to communicate and the ability to use this gift to glorify Him. Our goal at Nanaimo Christian School is to enable new students to discover and develop the ability to communicate in English and come to appreciate the structure and principles of the English Language. As students grow in their knowledge of English, they are able to share with others in the classroom and thereby enrich the whole body by the diversity of their experiences.

Immigration Requirements

All International students must meet the immigration and visa requirements of the Canadian government. These requirements along with the various documents needed (and the locations from which they can be obtained) can be found by referring to the Canadian Government web site: www.cic.gc.ca/english/study/index.asp

Nanaimo Christian School Entrance Requirements:

Students entering grades 10, 11 and 12 must be able to demonstrate competency in the English language. Students may be asked to be tested through an iTEPS SLATE English Proficiency Exam and an online interview through Skype. This service is available in many main cities worldwide. For more information on where to take this exam, please go to the following website: <http://www.itepexam.com/> ELL classes will be available to supplement student's existing English knowledge and students will be enrolled in an ESL online course.

For students entering grade 9 or lower will need to have an English test via Skype. Students must be prepared to study for most of the time in an all-English learning environment.

ADMISSION PROCESS & REFUND POLICY

Admissions Process

1. Fill in admissions forms including all necessary documentation (see Application Package Checklist). Include \$250.00 (non-refundable) registration fee to be wired to the school.
2. The school will determine the eligibility of the student within 3 weeks of receiving all documents. A Skype interview with potential students may be requested.
3. The applicant will receive a letter conditionally accepting the student to the program.
4. Upon acceptance, the full tuition must be paid before an official Letter of Acceptance can be issued.
5. **Students that are not attending a Christian church on a regular basis and cannot fill out a Pastor's reference form, are required to live in one of our Christian homestays.**

NCS will assess students prior to the start of the school year at the Student Orientation Day. (Usually the day before the first day of school) All international students need to have been in Canada at least 2 days prior to the Student Orientation Day. NCS will assess students' needs and determine what courses will best suit their needs. **Students may be required to take courses at a lower level than the grade they have been accepted into.** This means that students in grade 11 or 12 will need to take some grade 10 courses. All international students need to fulfill the British Columbia graduation requirements and NCS requirements. Regardless of the student's level of English, tutors are strongly recommended and sometimes mandatory as determined by NCS staff.

Refund Policy

- A full refund, except for the registration fee (\$250) will be refunded if the student's study visa is not approved. (Original copy of rejection letter from Embassy is required.)
-
- Withdrawal with more than 30 days of the start date, 2/3 of tuition will be refunded
- If the student withdraws between Sept 1 and September 30 or within 30 days of the start date, ½ of tuition is refundable
- Withdrawal less than 30 days of the start date, 1/2 of tuition will be refunded
- After 30 days after the start date, tuition will not be refunded.
- Students are required to give 1 month's notice to their homestay family, or one month's fee (\$900) will be retained. The remainder of homestay fees will be returned to the student.

A successful experience depends upon the student making his/her best effort in every area of school life. The school reserves the right to dismiss students and return them home, at the parent's expense, without tuition refund, for violations of the School's Code of Conduct and/or International Student Guidelines or if Nanaimo Christian School has been provided with false information.

Student Expectations in Homestay Families

Living with a your homestay family can be a wonderful opportunity to develop a friendship with someone of a totally different culture. The friendship grows from an understanding and an acceptance of two different cultures when students are engaged and integrate themselves in their homestay family's Canadian lifestyle. Students will be placed in a safe, secure, Christian home environment that has been carefully selected.

Our expectations of international students in our Homestay program is:

- always inform your homestay family when you will be home. Homestay families worry about you
- if you make arrangements for a day trip with friends, your homestay family needs to know and approve. If you make arrangements for an overnight trip without your homestay family, you need to get permission from
 - your homestay family,
 - custodian

- your parents through our Travel Permission form (2 weeks in advance)
- you need to ask permission of your homestay family before inviting friends back to your house
- you will be required to help your homestay family with chores such as dishes, meal prep, laundry, or some yard work - ask how you can help out
- arrange with your homestay family when is the best time use the washroom for bathing or showering, if you are sharing a bathroom with other members of the family
- showers should not be more than 10 minutes long
- keep your room neat and tidy, as this is your own personal space
- turn off lights, TV and technology when not in use
- make sure that you communicate with your homestay family if you are unwell. They will arrange to take you to the doctor if you are sick or injured
- if you have any questions or concerns, your homestay family will be happy to answer your questions
- always use manners by saying please and thank-you
- you are required to participate in all family activities and outings. Some of these activities, you may be required to pay your own travel arrangements, admissions and personal expenses
- your homestay family will expect you to attend church with their family and they may arrange for you to attend a youth group
- kindly inform your homestay family if you do not like to eat certain foods
- all devices (laptops, phones tablets etc) need to be at a designated place by an agreed time so that you can get some sleep
- you need to be part of your homestay family activities. All Canadian families participate in different forms of recreation. Some families go hiking on a Saturday or Sunday. Other families play family games in the evening or watch a Canadian Television show or movie. **You need to get involved in your homestay family's activities, even if you don't want to. Staying in your room for long periods of time is not allowed.**
- You need to speak English as often as possible. We know this is difficult, but the more you try the quicker you will pick up the language and integrate into Canadian culture.
- While it is rare, if students continue to disobey the homestay guidelines and/or school rules, the student may be asked by the school to withdraw from NCS school program. Students will have one week to make arrangements.

If the school deems that the homestay is unsafe or unsuitable, the student may be removed immediately from his/her homestay and moved to a new homestay with no charge.

A successful experience depends upon the student making his/her best effort in every area of school life. The school reserves the right to dismiss students and return them home, at the parent's expense, without tuition refund, for violations of the School's Code of Conduct and/or International Student Guidelines or if Nanaimo Christian School has been provided with false information.
