A LITTLE BIT ABOUT WHO WE ARE AT

Mission

In a nurturing, play-based and Christian environment, we will foster self esteem, problem solving skills and a passion for learning while fostering respect for themselves and others, to build the foundations for success in Kindergarten.

Vision

In a loving, Christian atmosphere, we will inspire wonder and respect for all that God has created to equip each student to become contributing members of our community and the world.

Values

BELONGING

We commit to provide an environment where students are protected both physically and emotionally, and provide a loving atmosphere where they can safely grow into the person God has called them to be.

CHILD-FOCUSED

All activities, play spaces and materials are developmentally appropriate and support active learning for children. Our teacher-to-child ratio supports personalized learning and development outcomes for our children.

WHOLE-CHILD DEVELOPMENT

We foster all aspects of children's growth and development including problem-solving skills, empathy and respect, independence, language, social development, self-esteem and confidence.

PROFESSIONALISM

We invest in our staff to provide the highest quality environment through extensive and ongoing training and professional development.

CHRISTIAN COMMUNITY

Everything that we do and teach is rooted in the Christian faith and founded upon God and His Word. We desire to partner with families in the education and spiritual growth of our students.

RESPONSIVE

We recognize the uniqueness of each student and strive to exceed expectations and provide a positive school experience for all.

INTENTIONAL

We lead, serve, and teach with great passion because we are confident in what God has called us to do. We work to cultivate that same passion in every one of our students.

About Us

Kingdom Kids Preschool is a non-profit, Christian-based, licensed child care program. Kingdom Kids Preschool is a part of the community of Nanaimo Christian School. We are committed to provide quality childcare and learning opportunities.
